SKILLS

- **Languages:** C++, JavaScript, C, PHP, Python, Java
- **Frameworks:** HTML and CSS, Bootstrap, NodeJS, React Js
- **Tools/Platforms:** MySQL, MongoDB
- **Soft Skills:** Problem-Solving Skills, Team Player, Project Management, Adaptability, Communication skills

PROJECTS

- Sport Complex Booking System

Developed a web-based platform that allows users to book sports facilities online efficiently. The system aims to simplify the process of reserving courts, fields, and equipment at sports complexes through a user-friendly interface.

Key Contributions:

- Designed and implemented front-end components using **HTML, CSS, and JavaScript** with responsive design principles.
- Conducted a **feasibility study** and system analysis to ensure smooth functionality and usability.
- Integrated **booking management, user registration, and schedule tracking** features.
- Ensured cross-browser compatibility and optimized performance using modern development tools (e.g., VS Code, Chrome DevTools).

Outcome:

The project streamlined sports facility management, reducing manual work and enhancing user convenience through digital booking and management.

Tools & Technologies: HTML, CSS, JavaScript, Bootstrap, Visual Studio Code

CERTIFICATES

- Infosys course completion certificate in python programming

ACHIEVEMENTS

- **District level certificate in cricket :** I have played district level cricket during my college and received a certificate.

EDUCATION

- **Lovely Professional University** Punjab, India
Masters of Computer Application(MCA) Since August 2025
- **Gurunanak dev engineering college** punjab, India
Graduation; CGPA: 8.02 Sept 2022 - June 2025
- **T.S.S.M Senior secondary School** punjab,India
Percentage: 84 %
